## LETTER FROM 2017-2018 CHAIR

July 12, 2018

Students in Alabama have many options when they decide to pursue higher education. It is no longer the case that they only need to decide their major and which university or college to attend. Many times their path starts at one of Alabama's 22 community colleges and continues at one of the state's 14 public universities. The Articulation and General Studies Committee (AGSC) was established nearly 25 years ago to facilitate such transfer and to eliminate the loss of time, credit, and money for our students.

Today, transfer has become even more prevalent than imagined 25 years ago: Students begin at a 4-year institution, take classes during the summer at their local community college, and then continues at a different university. Occasionally, university students or graduates transfer to a 2-year college to get a degree or certificate that offers them high-paying job prospects. Of course, we have also seen booming dual enrollment programs. In all cases, students are consumers who look for value and expect to receive credit for the work they have done.

Fortunately, the Statewide Transfer and Articulation Reporting System (STARS), which is managed by professional staff members and overseen by the AGSC, has remained flexible and facilitates all kinds of transfer. The Committee is now seeking to enhance the user-friendliness of STARS through developing a more mobile friendly platform. We will also host our first ever Transfer and Student Success Conference, March 6 – 7, 2019.

In a recent development, the State of Alabama's higher education community has become a member of the national movement, "*Complete College America*" (CCA). The aim of CCA is to develop collaboration among colleges and universities that will enable the State to increase the number and percentage of persons holding postsecondary degrees. Additionally, our State is engaged in an effort to increase the attainment of certificates and degrees to meet workforce demands of current and anticipated jobs and careers. The outcomes achieved through our AGSCSTARS articulation and general studies program are significant contributors to both of these efforts.

There is an intangible benefit of the AGSC in that it provides one of the few ways for administrators from 2-year and 4-year colleges and universities to get together regularly, get to know each other, and work to achieve a common goal. I truly cherish this opportunity and appreciate having gotten to know my valued colleagues on the committee.

Sincerely,

*Herbert Riedel*

**Herbert Riedel, Ph.D.**

President of Lurleen B. Wallace Community College  
and 2017-2018 Chair,  
Articulation and General Studies Committee

## AGSC VOTING MEMBERS & ALTERNATES (2017-2018)

APPOINTING AUTHORITY	VOTING MEMBER	ALTERNATE MEMBER
Alabama A&M University	Dr. Dale Overton Associate Professor and Chairperson, Biological and Environmental Sciences	Dr. Pamela Arrington Associate Vice President for Academic Affairs
Alabama State University	Dr. Leon C. Wilson Provost & Vice President for Academic Affairs	Dr. Jacqueline Trimble Professor/Chair Department of Languages and Literatures
Auburn University	Dr. Constance Relihan Associate Provost for Undergraduate Studies	Dr. Charles Israel Associate Dean for Academic Affairs Associate Professor of History
University of Alabama System	Dr. Luoheng Han Associate Provost for Academic Affairs <i>The University of Alabama</i>	Dr. Charles Nash Vice Chancellor <i>University of Alabama System</i>
University of South Alabama	Dr. Mary Angela Coleman Associate Vice President for Institutional Effectiveness	Dr. Eric Loomis Associate Dean — College of Arts and Sciences
Regional Universities	Dr. Hal Fulmer Associate Provost and Dean of Undergraduate and First Year Studies <i>Troy University</i>	Dr. Patricia Sims Dean of the College of Education <i>Athens State University</i>
Regional Universities	Dr. Kenneth Kitts President <i>University of North Alabama</i>	Dr. Tim Edwards Provost <i>University of West Alabama</i>
Alabama Community College System (2-Year Institutions)	Dr. Bruce Crawford Vice President <i>Lawson State Community College</i>	Dr. Russ Rothamer Chief of Staff & Vice Chancellor of Academic and Student Affairs <i>Alabama Community College System</i>
Alabama Community College System (2-Year Institutions)	Mr. Matt Rodgers President <i>Enterprise State Community College</i>	Dr. Annette Cederholm Vice President for Academic Affairs <i>Snead State Community College</i>
Alabama Community College System (2-Year Institutions)	Dr. Herbert Riedel President <i>Lurleen B. Wallace Community College</i>	Dr. David Campbell President <i>Northeast Alabama Community College</i>
EX-OFFICIO NON-VOTING MEMBERS		
Alabama Commission on Higher Education	Dr. James E. Purcell Executive Director	Dr. Elizabeth C. French Director, Institutional Effectiveness and Planning
AGSC Secretary	Mrs. Deborah Nettles Administrative Assistant to the Executive Director Alabama Commission on Higher Education	
AGSC/STARS Program	Dr. Keith Sessions Executive Director	

## *AGSC/STARS Accomplishments Based on 2017-18 Priorities*

### A STATUS REPORT

#### **1. Make STARS Guides more accessible on mobile platforms.**

While the current STARS website is useable on desktop and mobile devices, it has been determined that the STARS staff will need to contract with an outside company to accomplish this task. The current site has over 500 html pages and hundreds more pdf files. In addition, the current STARS site runs a robust database that produces the transfer guides used by students across the state. This database must work with the new coding / updated site. This is a major undertaking.

The STARS Staff was instructed by the AGSC Strategic Planning Sub-Committee to obtain quotes from at least two outside companies to see what they might charge to re-design and re-vamp the STARS website so that it works better on mobile devices. The following companies were contacted obtain more information and quotes:

- 24 Communications
- In10sity

Much work still needs to be done to accomplish this task. This will be an on-going priority moving forward into 2019.

#### **2. Establish a Planning Committee to develop a statewide conference on transfer and student success to be sponsored by the AGSC in 2018-2019.**

The conference planning committee has established the groundwork for a state-wide Transfer Student Success Conference to be hosted on the campus of Lawson State Community College in the spring of 2019 (March 6-7). The conference will be free and will cover a variety of topics that directly impact the success of transfer students in Alabama. We are tentatively scheduled to have two key-note speakers and at least two break-out sessions with various topics for the attendees to choose from. A webpage has been created on the STARS website to provide information about the conference. For more info visit the following website: <http://www.gettheguide.net/achieve2019.html>. To make this a success, it will need to continue to be a top priority through March of 2019.

#### **3. Initiate an annual STARS training session for Institutional Points of Contact in conjunction with the Fall AGSC meeting and consider offering a webinar or other distance delivered sessions for Points of Contact each spring.**

On October 12, 2017, all of the AGSC/STARS Institutional Points of Contact were invited to attend a STARS Training Session in conjunction with the Fall AGSC meeting. A grand total of 41 Points of Contact attended this fall meeting. All of the four-year universities sent at least one person to the training. All but six of the two-year colleges were represented sent representatives.

In addition, the Executive Director has continued to meet with various Points of Contact since the fall meeting. Some of these training sessions have been conducted on campuses while other have taken place via teleconference or web-conference.

#### **4. Establish a task force to evaluate and revise as needed the current structure of the General Studies Academic Committees and Pre-Professional Academic Committees and make recommendations for improvement by Spring 2018.**

Throughout 2018, much thought has gone into how the AGSC can improve the structure of the various academic committees in order to make them more efficient and effective. Currently there are 21 General Studies Academic Committees (GSACs) - comprised of 367 faculty members. In addition, there are 16 Preprofessional Academic Committees (PACs) comprised of more than 173 faculty members.

This summer, a proposal will be made that calls for the reduction of the GSAC committees from 21 down to 3 "AREA Committees" (AREA I&II, AREA III, and AREA IV). The 17 PACs will not change.

## *AGSC/STARS Accomplishments Based on 2017-18 Priorities*

### A STATUS REPORT *(Continued)*

The newly proposed AREA Committees would each be made up of ten members (5 from four-year members and 5 two-year members). These committees would still review and recommend courses for approval in their AREA. They would also review and suggest changes to templates that fall under disciplines within their area. The Council of Chief Academic Officers would name the four-year members for each area and the Chancellor of the Alabama College System would name the two-year members. All members would serve on staggered three year terms.

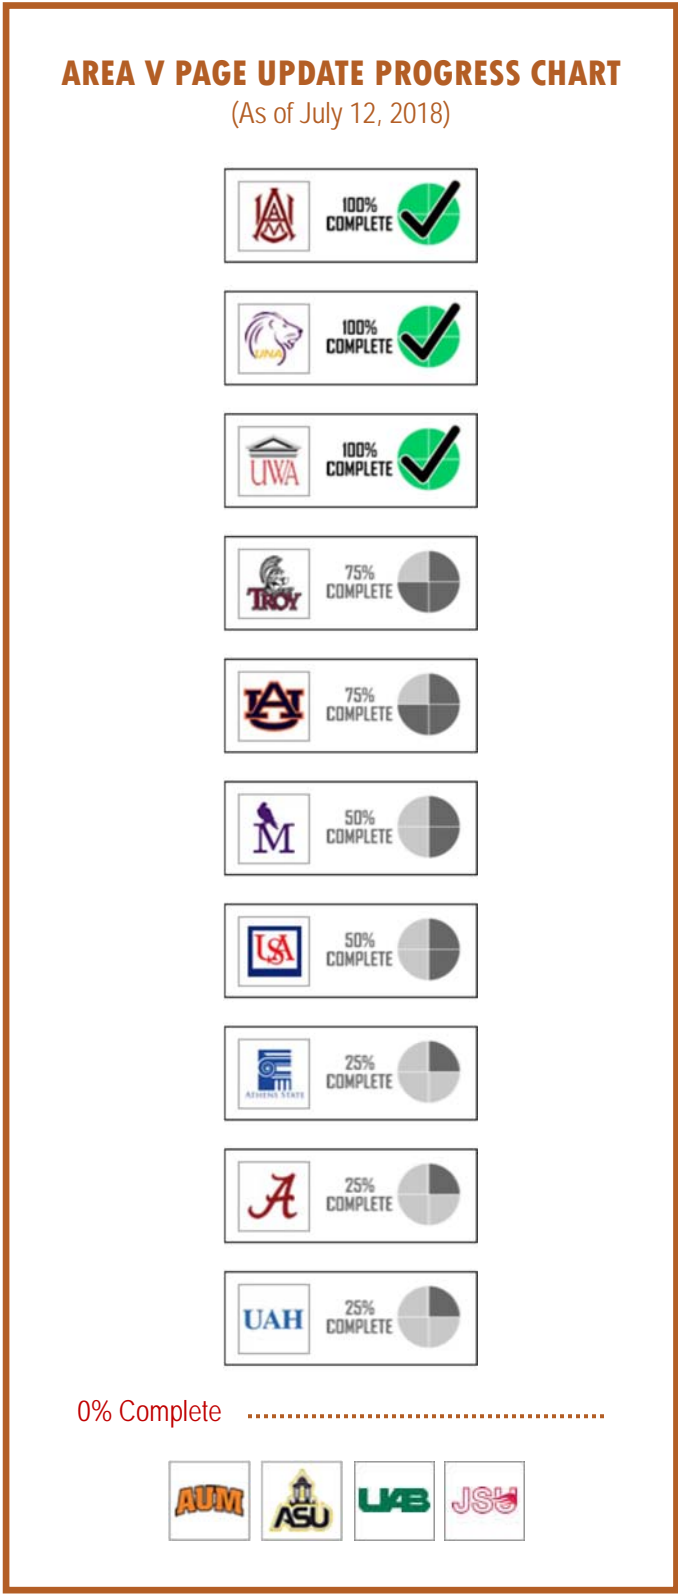

This is currently just a proposal. It has not yet been discussed and/or approved by the AGSC.

#### 5. Implement a standardized template for institutional Area V pages by Spring 2018.

In October of 2017, the AGSC Area V Subcommittee sent out a memorandum (along with a suggested template) to all of the four-year points of contact and requested that they work with their institutions to update their Area V pages for each of their majors to reflect the layout of the template provided. They were given a deadline of June 1, 2018 to complete this project. In April of 2018, the Executive Director sent out another reminder (printed and mailed) to the four-year points of contact. Finally in early June of 2018, the Executive Director sent out a survey to the points of contact to gauge their progress. The chart to the right provides a status report of for each of the four-year institutions work.

#### PROGRESS UPDATE

Three of the institutions have met the original deadline. Two are 75% complete. Another two are 50% complete. Another three are 25% complete. The other four institutions have not responded and are, according to our records, 0% complete. We will continue to work with all the institutions to complete this improvement process. Another attempt to encourage this updating process will be a top priority in 2018-2019.

## STARS OFFICE UPDATE

### Staffing

In 2016-2017, all four student workers positions were eliminated from the STARS staff. This leaves the STARS Office with the following three staff members:

- Keith Sessions, Executive Director (full-time)
- Shannon Nichols, IT Director and Programmer (full-time)
- Anita Brown, Executive Secretary (part-time)

These three staff members have over 79 years of total experience working on the AGSC/STARS Program.

### Computers and Software

The desktops used by the staff are less than 3 years old. The server used to generate the STARS Transfer Guides is approximately 4 years old. These machines will likely need to be replaced in the next few years. We use PROGRESS 4GL Software to run the STARS Database to generate all transfer guides. At this time the software is up-to-date.

### Marketing and Promotion

We continue to look for inexpensive but effective ways to market and promote the STARS program throughout the state using printed materials (brochures, bookmarks, and post cards), online resources, and face-to-face contact.

We are constantly sending out marketing materials to two-year colleges, four-year universities, and high-school advising offices. The majority of the two-year colleges do an excellent job of assisting us in the marketing and promoting the program to their students.

### STARS Training and Campus Visits

The staff continued its effort to visit all areas of the state in order to provide opportunities for STARS training/updates. A list of campus visits and presentations is provided on page 8 of this report.

## STARS TRAINING AND CAMPUS VISITS MADE DURING 2017-2018

### WINTER 2017 (August—December)

UNIVERSITY OF ALABAMA - Campus Visit, Distribution of Promotional Items, Presentations & Training  
 MARION INSTITUTE - Campus Visit / Distribution of Promotional Items / Meeting with Chief Academic Officer  
 COASTAL ALABAMA COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items  
 UNIVERSITY OF WEST ALABAMA - Campus Visit, Distribution of Promotional Items, Presentations & Training  
 UNIVERSTIY OF SOUTH ALABAMA - Campus Visit, Distribution of Promotional Items, Presentations & Training  
 BISHOP STATE COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items  
 CALHOUN STATE COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items  
 NORTHWEST SHOALS COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items  
 DRAKE TECHNICAL AND COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items  
 WALLACE STATE COMMUNITY COLLEGE HANCEVILLE - Campus Visit, Distribution of Promotional Items  
 SOUTHERN UNION COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items  
 CENTRAL ALABAMA COMMUNTIY COLLEGE - Campus Visit, Distribution of Promotional Items  
 BEVILL STATE COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items  
 CHATAHOOCHEE VALLEY COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items  
 JACKSONVILLE STATE UNIVERSITY - Campus Visit, Distribution of Promotional Items, Presentations & Training

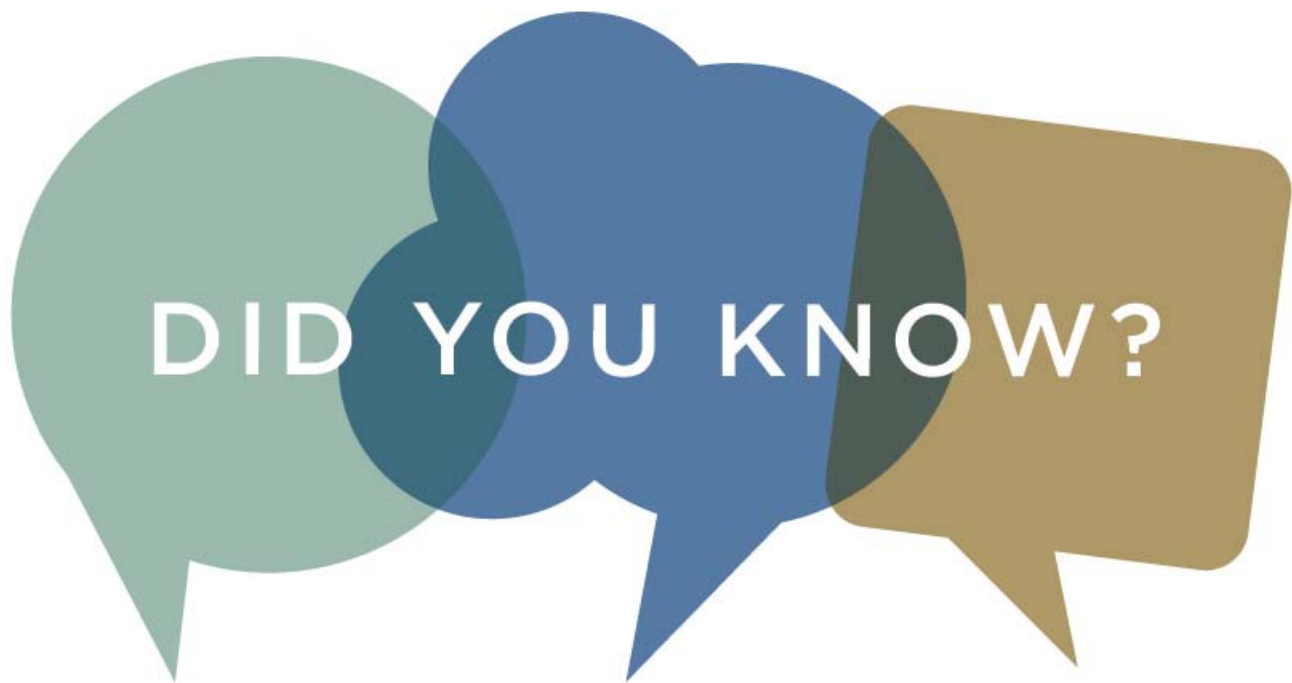

### SPRING 2018 (January—July)

WALLACE STATE COMMUNITY COLLEGE SELMA - Campus Visit, Distribution of Promotional Items, Presentations & Training  
 JEFFERSON STATE COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items, Presentations & Training  
 LAWSON STATE COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items  
 CALHOUN STATE COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items  
 NORTHEAST ALABAMA COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items  
 BEVILL STATE COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items  
 SHELTON STATE COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items  
 UNIVERSITY OF ALABAMA - Presentations & Training  
 ENTERPRISE STATE COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items  
 WALLACE HANCEVILLE COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items, Presentation & Training  
 TROY UNIVERSITY - Campus Visit, Distribution of Promotional Items, Presentations & Training  
 WALLACE DOTHAN COMMUNITY COLLEGE -- Campus Visit, Distribution of Promotional Items  
 BISHOP STATE COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items  
 CENTRAL ALABAMA COMMUNITY COLEGE - Campus Visit, Distribution of Promotional Items  
 TRENHOLM STATE COMMUNITY COLLEGE - Campus Visit, Distribution of Promotional Items

## DID YOU KNOW?

- The STARS Office maintains over **163 different program templates** (these templates become the transfer guides that protect thousands of transfer students each year).
- The STARS Office maintains over **1,700 courses** in the course database. Of those, **1,348 courses have been approved** for statewide transfer by the AGSC. (The STARS Office works to keep current syllabi for each approved course on file and makes them available through the STARS website).
- The STARS Office works with approximately **540 two-year and four-year faculty members** who volunteer to serve on more than **37 separate discipline committees**.
- The STARS Office works directly with over **90 two-year and four-year points of contact** to maintain STARS and implement AGSC policy throughout the state.
- The STARS Office maintains over **500 html web pages** on the official STARS website. In addition there are hundreds of pdf documents accessible through the website. All coordination and maintenance of the STARS Website is accomplished by a full-time **staff of two**.
- If you add up all the years of service by the current STARS staff, you have over **79 years of experience** working with the state articulation program.
- Since 2007, the amount of money that the STARS Transfer Guide System has saved students and their parents is conservatively estimated to be **OVER ONE BILLION DOLLARS**. (See next page)

**DID YOU KNOW?** (Continued)

Since 2007, the amount of money that the STARS Transfer Guide System has **SAVED** students and their parents (by simply preventing them from taking a course at a two-year college that would not transfer and then having to retake a course at their four-year institution to make up for the lost credit hours) is conservatively estimated to be **OVER ONE BILLION DOLLARS**.

**NOTE:** This estimate only includes the average cost of tuition and books. It does not include other expenses related to attending college (i.e., cost of living, additional student fees, and loss of job opportunities due to delay in graduation.)

**AVERAGE COST OF TAKING ONE COURSE AT AN ALABAMA COMMUNITY COLLEGE THAT DOES NOT TRANSFER TO A PUBLIC FOUR-YEAR UNIVERSITY IN ALABAMA**

Year	Average Community College Resident Undergraduate Annual Tuition and Required Fees *	Average Community College Resident Undergraduate Average Cost for 3 SH Course and Required Fees	Estimate Cost of Books for the 3 SH Course **	Total Number of STARS Guides for Current Year (Official and Unofficial)	Savings Cost of one Course if the STARS Guide Saved a Student from Taking one additional 3 SH Course
2007-2008	\$2,700	\$270	\$60	82,132	\$27,103,560
2008-2009	\$2,700	\$270	\$65	86,369	\$28,933,615
2009-2010	\$2,700	\$270	\$70	89,265	\$30,350,100

2016-2017	\$9,741	\$974	\$105	76,064	\$82,080,662
<b>Totals</b>				<b>825,925</b>	<b>\$701,128,679</b>

**\$1,069,451,949**

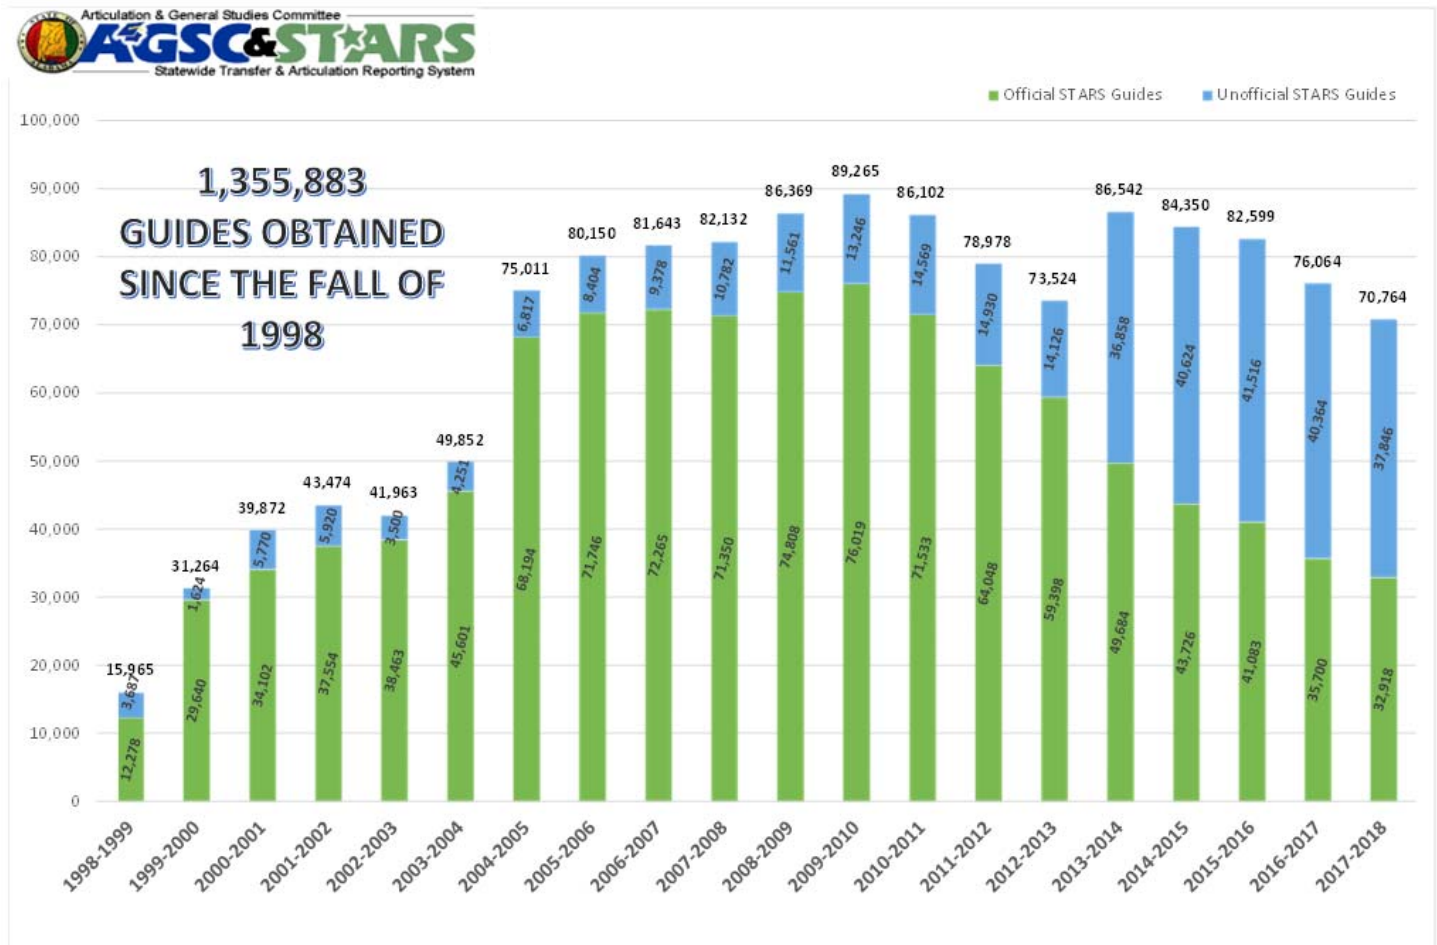

\* Tuition amounts are based on undergraduate load of 30 semester hours. Other specific surcharges and fees may be required for certain programs. This data is from AICHE's website located at <http://www.ache.alabama.gov/Content/Abstract1617/Fees/Index.aspx>.

\*\* Book costs estimated based off an article by Student PIRGS (Public Interest Research Groups) dated February 3, 2016. The article can be found at <http://www.studentpirgs.org/news/sp/student-group-releases-new-report-textbook-prices>.

## STARS TOTAL TRANSFER GUIDES OBTAINED BY YEAR SINCE 1998

This chart represents usage by two-year college students since the fall of 1998.

**TOTAL AMOUNTS** include the number of official guides obtained plus the number of unofficial guides obtained.

**OFFICIAL GUIDES** are obtained by transfer students who actually provide their name, address, phone, email, institution attending, and their major. The official guide also includes the Transfer Agreement Contract.

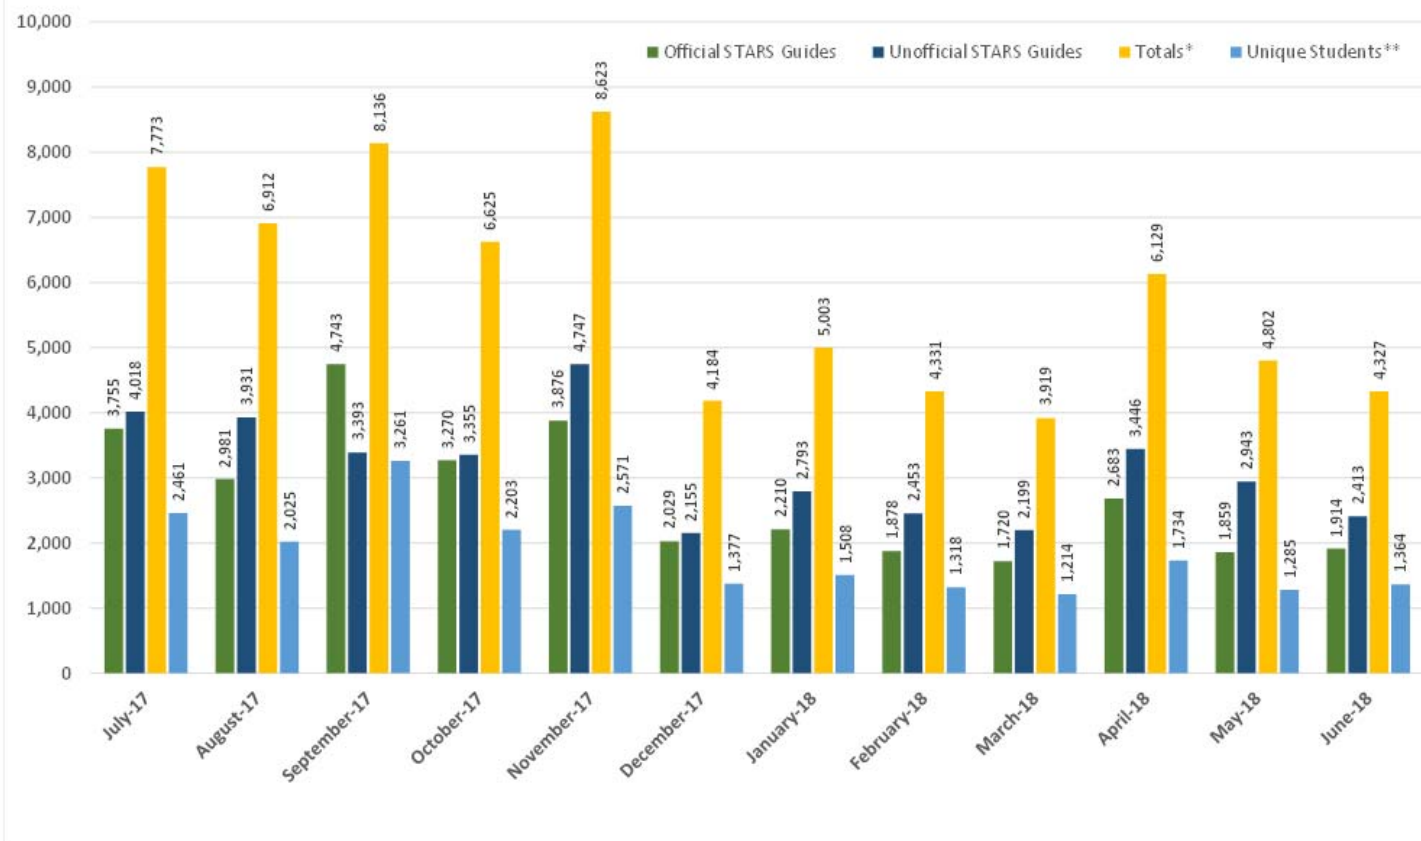

**UNOFFICIAL GUIDES** are obtained by various individuals for reference and comparison purposes only. These guides do not contain student information nor do they include the Transfer Agreement Contract.

NOTE: For more detailed reports, please see the STARS website - <http://www.gettheguide.net>.

If you need a specific report for your institution, please contact Mr. Shannon Nichols at [sgnichols@troy.edu](mailto:sgnichols@troy.edu)

## ANNUAL STARS TWO-YEAR STUDENT USAGE REPORT BY MONTH

This chart represents usage by two-year during the 2017-2018 academic year distributed by month.

\* TOTAL AMOUNTS include the number of official guides obtained plus the number of unofficial guides obtained.

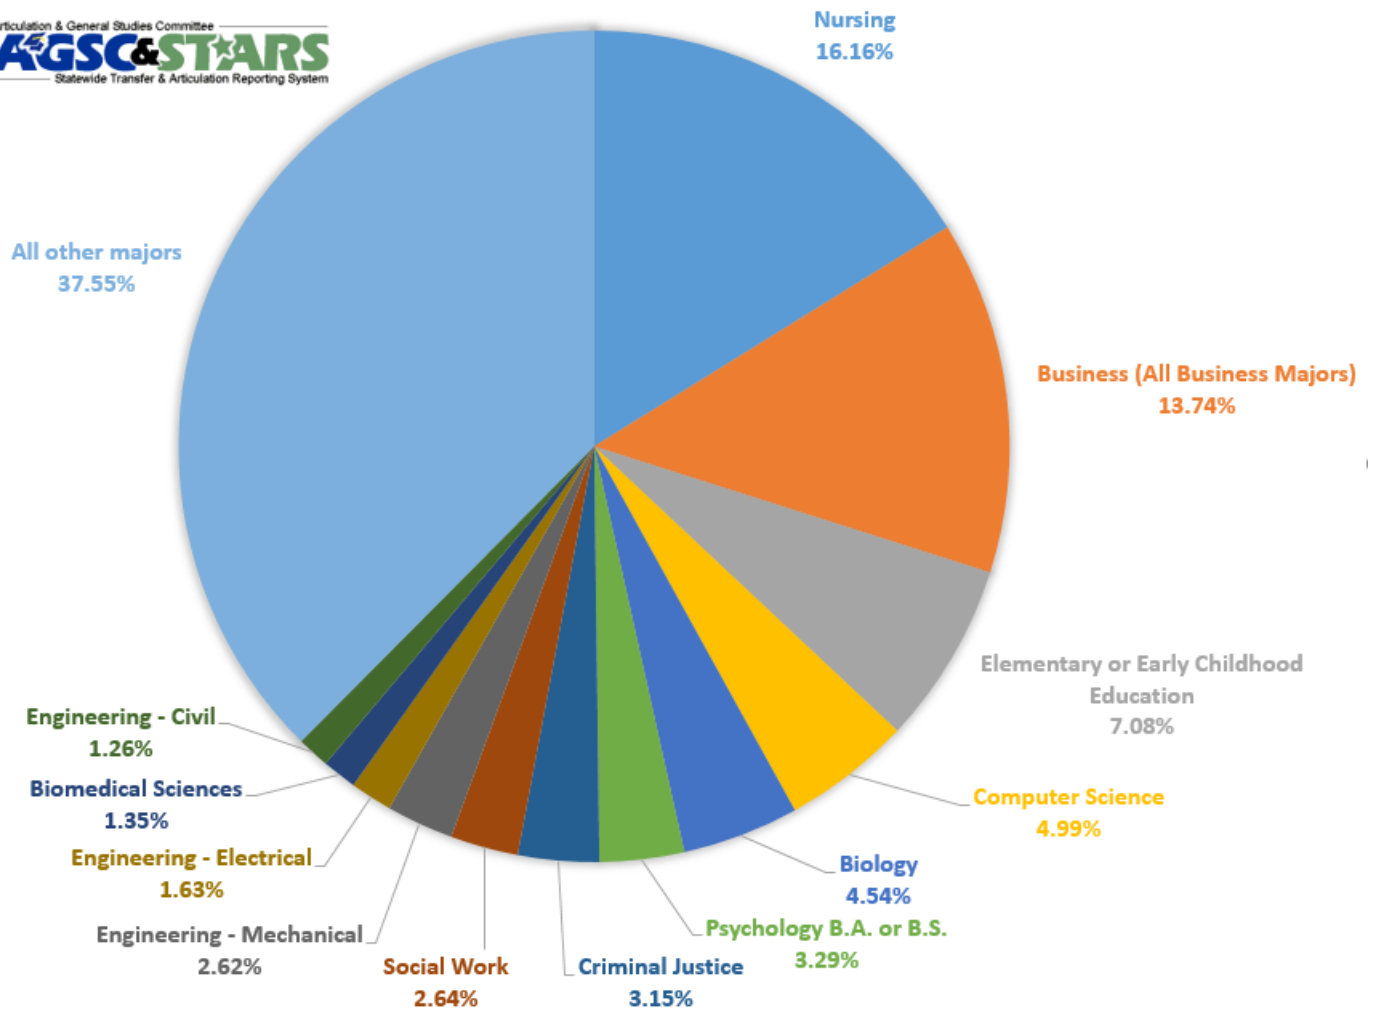

\*\* UNIQUE STUDENTS – The unique student totals take into account that many students who use STARS print multiple guides. Students who print multiple guides in a given major are only counted one time. This number should provide a more accurate picture of how many individual students have printed/obtained guides.

NOTE: For more detailed reports, please see the STARS website - <http://www.gettheguide.net>.

If you need a specific report for your institution, please contact Mr. Shannon Nichols at [sgnichols@troy.edu](mailto:sgnichols@troy.edu)

## ANNUAL STARS TWO-YEAR STUDENT USAGE REPORT BY MAJOR

This chart represents usage by two-year during the 2017-2018 academic year distributed by major choice.

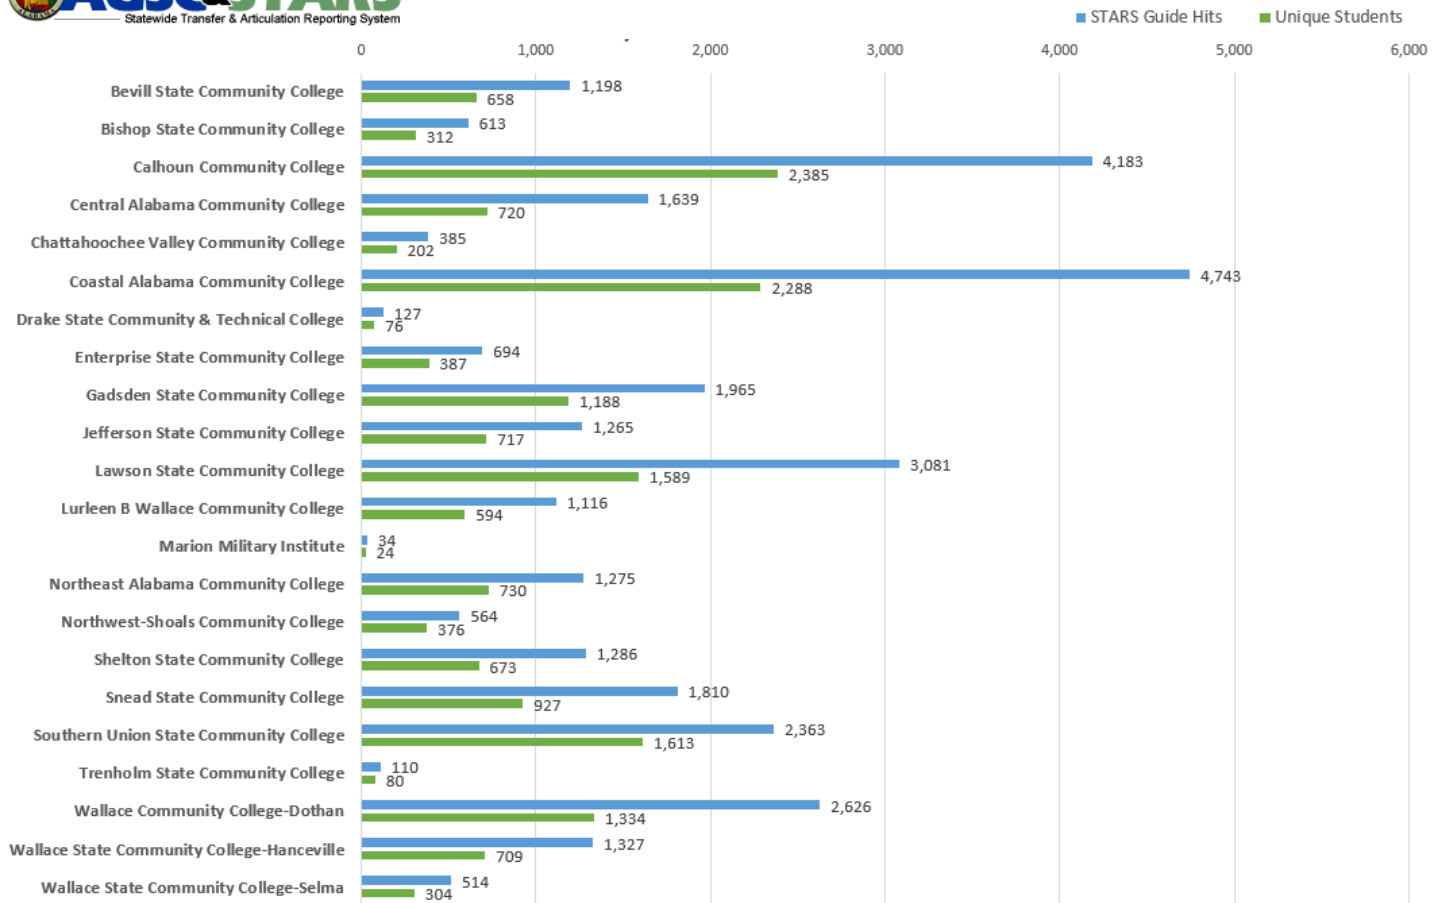

NOTE: For more detailed reports, please see the STARS website - <http://www.gettheguide.net>.

If you need a specific report for your institution, please contact Mr. Shannon Nichols at [sgnichols@troy.edu](mailto:sgnichols@troy.edu)

# ANNUAL STARS TWO-YEAR STUDENT USAGE REPORT BY TWO-YEAR INSTITUTION

This chart represents usage by two-year during the 2017-2018 academic year distributed by institution.

\* **TOTAL AMOUNTS** include the number of official guides obtained plus the number of unofficial guides obtained.

\*\* **UNIQUE STUDENTS** – The unique student totals take into account that many students who use STARS print multiple guides. Students who print multiple guides in a given major are only counted one time. This number should provide a more accurate picture of how many individual students have printed/obtained guides.

NOTE: For more detailed reports, please see the STARS website - <http://www.gettheguide.net>.

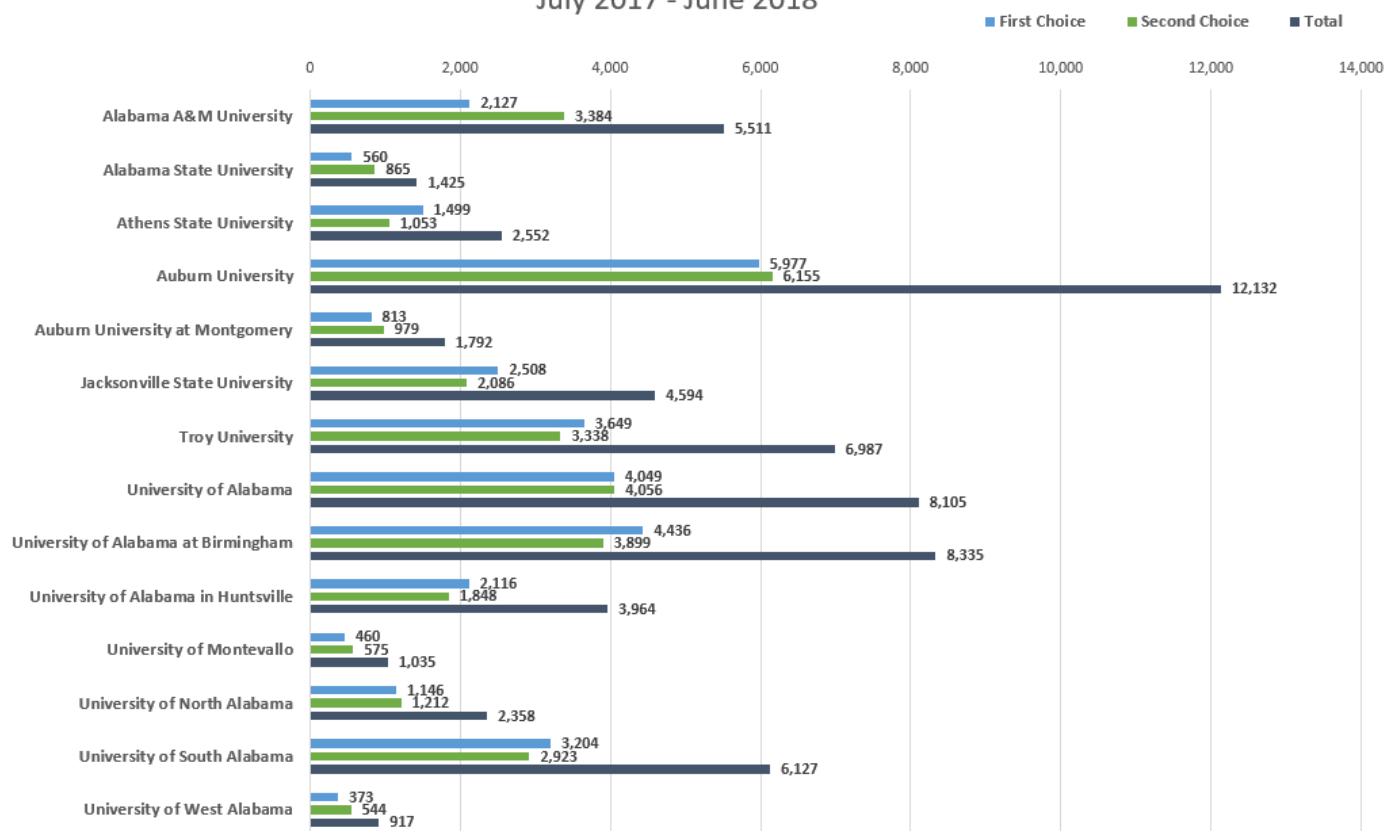

If you need a specific report for your institution, please contact Mr. Shannon Nichols at [sgnichols@troy.edu](mailto:sgnichols@troy.edu)

## ANNUAL STARS STUDENT USAGE REPORT BY FOUR-YEAR INSTITUTIONAL CHOICE

NOTE: Each time a student requests a transfer guide, we ask them to tell us their first and second choices of possible transfer destinations. This report outlines their choices. It does not necessarily mean that is the institution that they actually have transferred to or will transfer to.

Transfer Institution Choices by  
Two-Year Students for  
July 2017 - June 2018

NOTE: For more detailed reports, please see the STARS website - <http://www.gettheguide.net>.

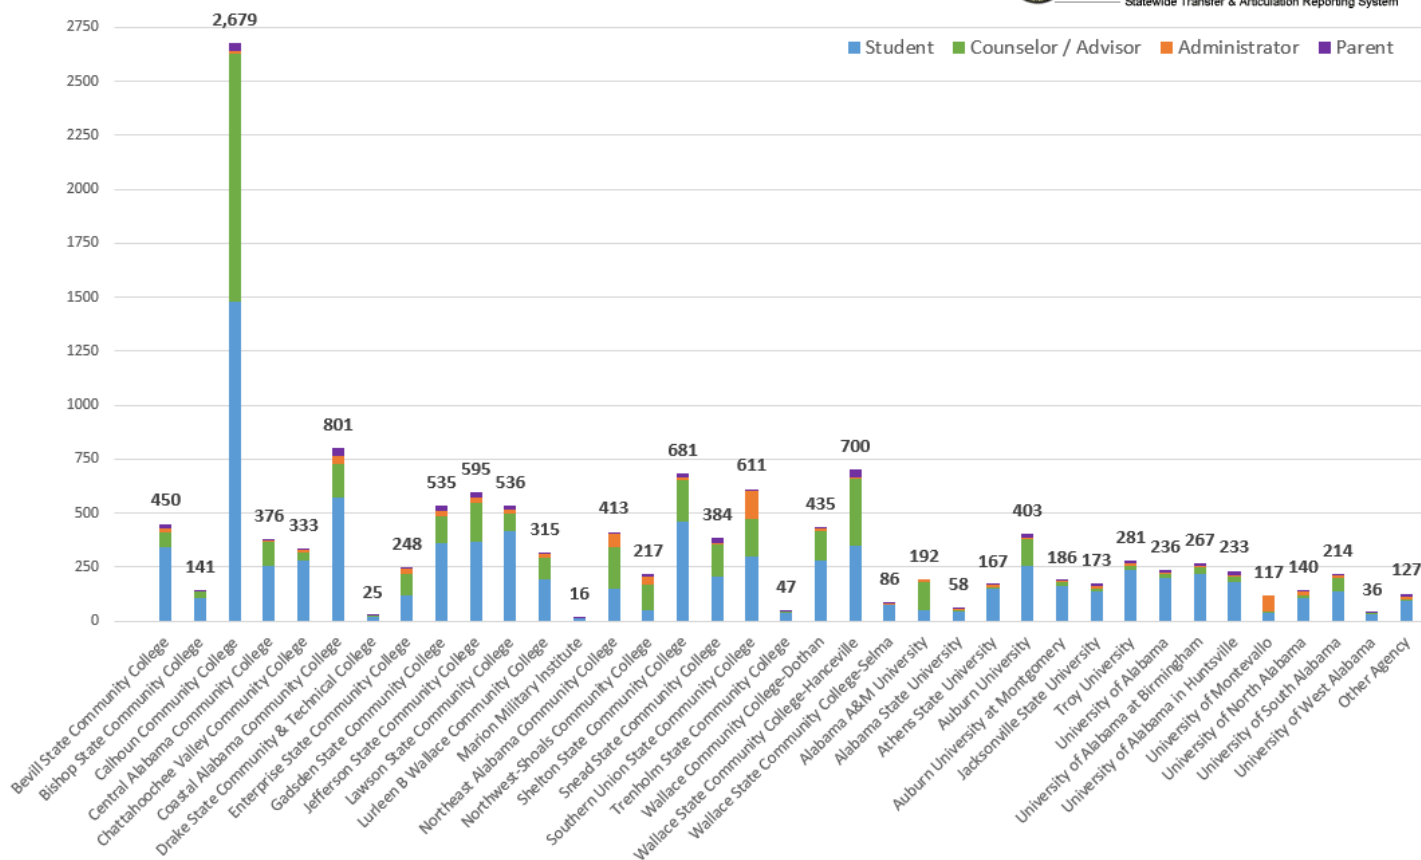

If you need a specific report for your institution, please contact Mr. Shannon Nichols at [sgnichols@troy.edu](mailto:sgnichols@troy.edu)

## STARS UNOFFICIAL GUIDES REPORT BY USER TYPE

FEBRUARY—JUNE OF 2018 (Only Data Available at this time.)

NOTE: Each time a person uses the unofficial guide request we ask them to identify themselves as either a student, counselor/advisor, administrator or parent.

NOTE: For more detailed reports, please see the STARS website - <http://www.gettheguide.net>.

If you need a specific report for your institution, please contact Mr. Shannon Nichols at [sgnichols@troy.edu](mailto:sgnichols@troy.edu)

## 2018-2019 AGSC/STARS Priorities and Goals

1. Continue to investigate methods and processes that can be used to improve the AGSC/STARS website so that it works well on most mobile devices/platforms. If necessary, STARS can contract out various parts of this project where expertise is needed.
2. Finalize plans for 1<sup>st</sup> Annual AGSC/STARS Transfer Student Success Conference and begin to publicize and promote this event across the state. Hold the conference on March 6-7, 2019 on the campus of Lawson State Community College. After the conference review and assess the success of the conference and begin to plan for future conferences.
3. Continue to meet (at least once annually) with the Points of Contact to provide on-going training and updates regarding AGSC/STARS issues.
4. Begin the process to convert the existing 21 General Studies Academic Committees to 3 AREA Committees. The STARS staff should meet with these new committees at least once annually (more if needed) to review and update approved courses/ratified templates and address any other transfer issues relating to their academic area.
5. Create various AGSC/STARS training videos (made available through the website) that can be used by academic administrators and other staff members across the state to train and inform end-users and faculty about the AGSC/STARS Program.
6. Work with AREA III Committee to review current math course offerings in AREA III and determine if there are changes/additions that need to be made in terms of adding a Quantitative Reasoning or Quantitative Statistics course (MTH 265).
7. Continue to move toward completion of the AREA V template revision by all four-year institutions.
