AGSC TRANSFER GUIDE

Institution Currently Attending: Two-Year Institutions

Major: Wildlife Sciences - Pre-Veterinary Medicine (AU Only)

Date: 09/21/2026

The information on this Articulation/Transfer Guide has been approved by the Alabama Articulation and General Studies Committee (AGSC) for students who intend to pursue a bachelor's degree in the major listed above. Your institution may not offer every course listed on this guide. In addition, not all four-year institutions will offer the major which you are interested in pursuing. For a listing of schools which do offer the major listed above and who will accept the course work listed on this guide, see the section at the end of the guide titled "INSTITUTIONS WITH BACHELOR'S DEGREE PROGRAMS IN THE CHOSEN MAJOR."

INSTRUCTIONS TO TRANSFER STUDENTS:

1. Read the entire Transfer Guide carefully.
2. Print and keep a copy of this Transfer Guide for verification purposes.
3. Meet with your advisor or counseling office to discuss this information.
4. In order to obtain a complete transfer agreement, you MUST also print the Area V page for the major from the receiving institution to which you plan to transfer. The Area V page gives you additional information about institution recommendations in AREAS I-IV and specific requirements not specified in AREA V on the AGSC guide. The total transfer agreement consists of the AGSC transfer agreement and the Area V page from the institution. The most effective way to access the institution page to click on the receiving institution(s) of your choice listed at the bottom of this guide under the section titled "INSTITUTIONS WITH BACHELOR'S DEGREES IN THE CHOSEN MAJOR." (NOTE: Many institutions are still developing their Area V pages; contact them directly if you cannot find the necessary information.)

SPECIAL NOTE: Any attempt to modify, change, or alter information on this document through electronic or other means would make this document null and void. Any course work taken for transfer would then have to be evaluated on a course-by-course basis by the receiving institution.

You don't often get email from shannon@alabamatransfers.com. [Learn why this is important](#)

I can add a Physics sequence to Area V as an option. However, since it is a 120 SH program, only 19 SH from Area V will transfer due to the 50% rule. Typically, universities only accept up to 50% of the total hours from a community college. I would need to adjust the notes on the Chemistry courses from "must complete" to "may complete" and add that same note to the Physics sequence. The Physics sequences that are most commonly used on our guides are:

PHY 201	General Physics I	4 SH
PHY 202	General Physics II	4 SH
PHY 213	General Physics with Calculus I	4 SH
PHY 214	General Physics with Calculus II	4 SH

Do you have a preference?

As for the Lit or History, it is "baked" into the guide structure. Students must complete a sequence in either Literature in Area II or a sequence in History in Area IV at a minimum. The guide's layout allows them to complete both if they choose.

Shannon,

Can we make one addition to this, and have it put on the website? Thank you for your help.

- Update Area V to include one year of Physics.
- Confirm it states the designation of one pair of courses from either History or Literature if that is not an automatic addition.

I have made the updates for the name change to Geospatial Information Science and added it to the pathways you suggested.

As for the Wildlife Sciences - Pre-Veterinary Medicine, let me create a draft template and guide for you all to review. I will use the degree plan from Auburn's website<https://nam11.safelinks.protection.outlook.com/?url=https%3A%2F%2Fbulletin.auburn.edu%2Fundergraduate%2Fschoolofforestryandwildlifesciences%2Fforestryandwildlifescience%2Fwildlifescience-prevetconcentration_major%2F&data=05%7C02%7Cbmm0089%40auburn.edu%7C84c6dac1a7054b183c9008deee7849ed%7Ccbb6deedb294b388979d72780f62d3b%7C0%7C0%7C639210398296836838%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIsIlAiOiJXaW4zMilslkFOljoitWTFpbCIsIlIdUljoyfQ%3D%3D%7C0%7C%7C%7C&sdata=1JHN3Ag9NmPcl4kmUOTi6DBINyHzNhro2fi7gdmh%2Bh0%3D&reserved=0>. Can you provide the CIP code that the program is listed under?

Good Morning,

These are requests from the College of Forestry, Wildlife, & Environment (CFWE):

-The Wildlife Sciences - Pre-Veterinary Medicine option isn't listed (that we could find) on

It's likely AU Only since it's in the CFWE. Please let me know if I need to complete the form to have this major added or if we are not looking in the right spot.

-There has been a name change: Geospatial and Environmental Informatics needs to be updated to Geospatial Information Science. They were wondering if it's possible for this to be listed under both Computer Science & the Science, Technology, Engineering, and Maths header.
