AGSC TRANSFER GUIDE

Institution Currently Attending: Two-Year Institutions
Major: Medical Laboratory Science
Date: 04/29/2024

The information on this Articulation/Transfer Guide has been approved by the Alabama Articulation and General Studies Committee (AGSC) for students who intend to pursue a bachelor's degree in the major listed above. Your institution may not offer every course listed on this guide. In addition, not all four-year institutions will offer the major which you are interested in pursuing. For a listing of schools which do offer the major listed above and who will accept the course work listed on this guide, see the section at the end of the guide titled "INSTITUTIONS WITH BACHELOR'S DEGREE PROGRAMS IN THE CHOSEN MAJOR."

INSTRUCTIONS TO TRANSFER STUDENTS:

1. Read the entire Transfer Guide carefully.
2. Print and keep a copy of this Transfer Guide for verification purposes.
3. Meet with your advisor or counseling office to discuss this information.
4. In order to obtain a complete transfer agreement, you MUST also print the Area V page for the major from the receiving institution to which you plan to transfer. The Area V page gives you additional information about institution recommendations in AREAS I-IV and specific requirements not specified in AREA V on the AGSC guide. The total transfer agreement consists of the AGSC transfer agreement and the Area V page from the institution. The most effective way to access the institution page to click on the receiving institution(s) of your choice listed at the bottom of this guide under the section titled "INSTITUTIONS WITH BACHELOR'S DEGREES IN THE CHOSEN MAJOR." (NOTE: Many institutions are still developing their Area V pages; contact them directly if you cannot find the necessary information.)

SPECIAL NOTE: Any attempt to modify, change, or alter information on this document through electronic or other means would make this document null and void. Any course work taken for transfer would then have to be evaluated on a course-by-course basis by the receiving institution.

Thanks,

Yes, you did send emails on the 18th and 22nd. I took those changes and updated the guide and template then sent it back out. I have always done this with other guides/institutions to provide me with more eyes on the guides to make sure updates I make are correct. Although I strive to get everything correct, there are times that I have made mistakes. But, we can go ahead with the guide.

Hello AU an AUM friends,

AUM sent in a few changes to the guide that we sent out the other day. We have made those changes and updates. So I am attaching the updated template/transfer guide for you all to look over. **If these documents are ok with each of you please let me know by email.** **If these documents are not ok, please let me know what needs to be changed or corrected.**

I am trying to have these signed off on by tomorrow - FRIDAY so that we can put it on our AGSC April 30th agenda for final approval (RATIFICATION). Then once AGSC approves, we can put it out on our website for transfer students to begin to use.

Thanks for your help.
