ARTICULATION TEMPLATE – GENERAL STUDIES CURRICULUM

Articulation Program Template for a MAJOR in _____

This template has been compiled by _____

(Name of Academic Committee or Individual Institution submitting template)

Classification of Instructional Program (CIP) Code for this Major/Program (xx.xxxx) _____

Please contact ACHE if you do not know the code for the program for which you are submitting. <https://www.ache.edu>

AREA I - Written Composition (6 Semester Hours)

Effective written communication skills are essential in a literate society. Minimum requirements include at least 6 semester hours in written composition. **(NOTE: English Composition I and II are the only courses available in AREA I.)**

AREA II - Humanities and Fine Arts (12 Semester Hours)

Study in the humanities addresses the ability to deal with questions of values, ethics, or aesthetics as they are represented in literature, philosophy, religion, and the arts, and is fundamental to general education. Minimum requirements include at least 12 semester hours in humanities with a minimum 3 semester hours in literature*, 3 semester hours in the arts, and the remaining semester hours from the humanities and/or fine arts. In addition to literature, disciplines in the humanities include, but are not limited to, philosophy, religious studies, speech, foreign languages, art, music, theatre, and dance.

*NOTE: Students must complete a 6-semester-hour sequence either in literature or in history in Area II or IV.

>>> For the list of approved courses in Area II visit our website at www.alabamatransfers.com.

----- LIST ANY SPECIFIC AREA II REQUIREMENTS IN GRAY BOX BELOW -----

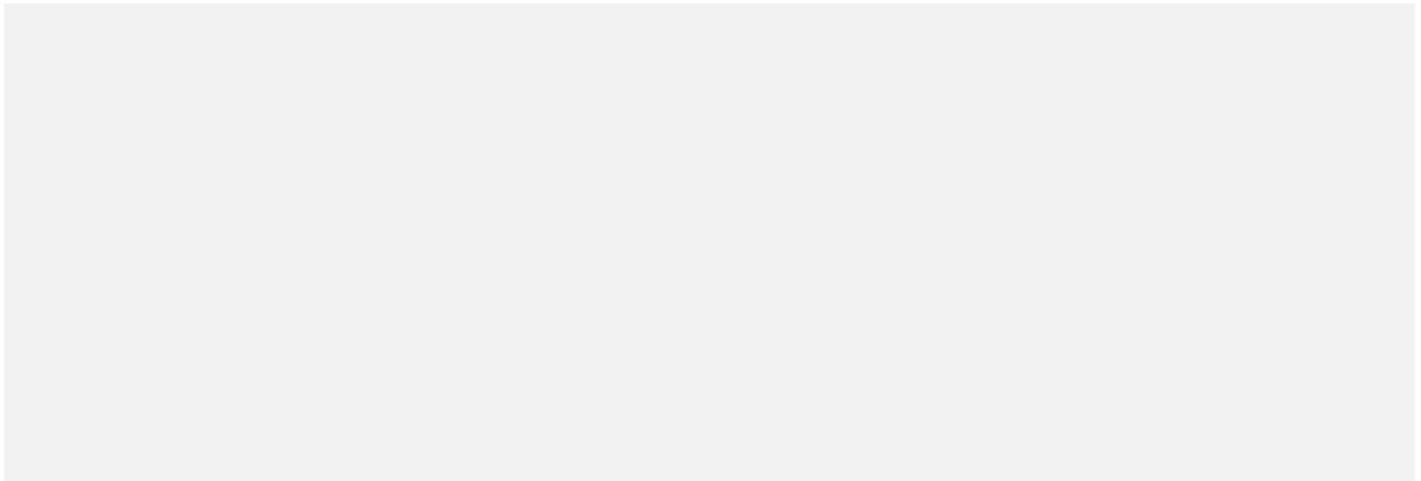

AREA III - Natural and Mathematical Sciences (11-12 Semester Hours)

Study in the natural and mathematical sciences emphasizes the scientific method and applies quantitative or inductive reasoning. Minimum requirements include at least 11 semester hours with at least 3 semester hours in mathematical sciences** and at least 8 semester hours in the natural sciences which must include laboratory experiences. Disciplines in the mathematical sciences include mathematics and statistics and courses should be broad in scope and content. Disciplines in the natural sciences include but are not limited to, astronomy, biology, chemistry, geology, and physics.

**NOTE: Some mathematics courses are offered for 4 semester credit hours. This would account for the variation in hour requirements in Area III.

>>> For the list of approved courses in Area III visit our website at www.alabamatransfers.com.

----- LIST ANY SPECIFIC AREA III REQUIREMENTS IN GRAY BOX BELOW -----

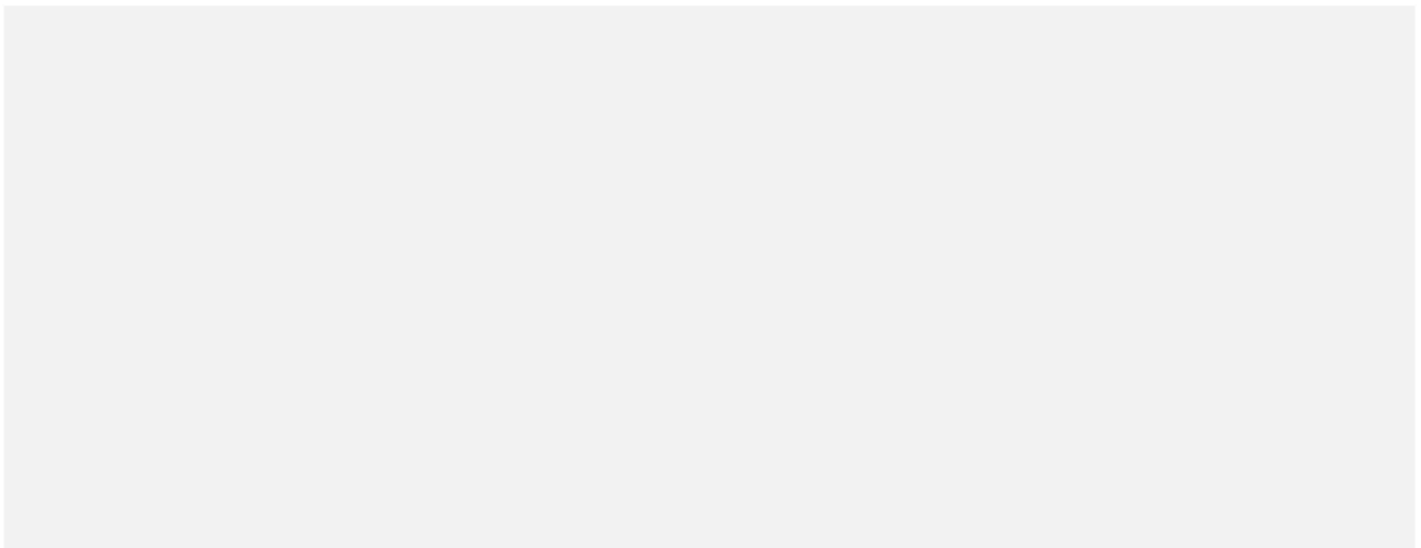

AREA IV - History, Social, and Behavioral Sciences (12 Semester Hours)

Study in history and the social and behavioral sciences deals primarily with the study of human behavior, social and political structures, and economics. Minimum requirements include 12 semester hours with at least 3 semester hours in history* and at least 6 semester hours from among other disciplines in the social and behavioral sciences. Disciplines include, but are not limited to, anthropology, economics, geography, political science, psychology, and sociology.

*NOTE: Students must complete a 6-semester-hour sequence either in literature or in history in Area II or IV.

>>> For the list of approved courses in Area III visit our website at www.alabamatransfers.com.

----- LIST ANY SPECIFIC AREA IV REQUIREMENTS IN GRAY BOX BELOW -----

AREA V - Pre-Professional, Major, and Elective Courses (19-23 Semester Hours)

Area V is designated for courses appropriate to the degree/major requirements of the individual student (may also include electives).

AGSC TRANSFER GUIDE

Institution Currently Attending: Two-Year Institutions
Major: Occupational Safety and Health Management (JSU Only)
Date: 04/24/2024

The information on this Articulation/Transfer Guide has been approved by the Alabama Articulation and General Studies Committee (AGSC) for students who intend to pursue a bachelor's degree in the major listed above. Your institution may not offer every course listed on this guide. In addition, not all four-year institutions will offer the major which you are interested in pursuing. For a listing of schools which do offer the major listed above and who will accept the course work listed on this guide, see the section at the end of the guide titled "INSTITUTIONS WITH BACHELOR'S DEGREE PROGRAMS IN THE CHOSEN MAJOR."

INSTRUCTIONS TO TRANSFER STUDENTS:

1. Read the entire Transfer Guide carefully.
2. Print and keep a copy of this Transfer Guide for verification purposes.
3. Meet with your advisor or counseling office to discuss this information.
4. In order to obtain a complete transfer agreement, you MUST also print the Area V page for the major from the receiving institution to which you plan to transfer. The Area V page gives you additional information about institution recommendations in AREAS I-IV and specific requirements not specified in AREA V on the AGSC guide. The total transfer agreement consists of the AGSC transfer agreement and the Area V page from the institution. The most effective way to access the institution page to click on the receiving institution(s) of your choice listed at the bottom of this guide under the section titled "INSTITUTIONS WITH BACHELOR'S DEGREES IN THE CHOSEN MAJOR." (NOTE: Many institutions are still developing their Area V pages; contact them directly if you cannot find the necessary information.)

SPECIAL NOTE: Any attempt to modify, change, or alter information on this document through electronic or other means would make this document null and void. Any course work taken for transfer would then have to be evaluated on a course-by-course basis by the receiving institution.

For additional information in Occupational Safety and Health Management, please view the JSU Area V.

INSTITUTIONS WITH BACHELOR'S DEGREE PROGRAMS IN THE CHOSEN MAJOR

The institutions listed below offer bachelor's programs in the chosen major. They have agreed to accept the course work listed on this guide for Areas I-V upon transfer to their respective institution providing that you have taken the courses as directed, and the student chooses to pursue a bachelor degree in the chosen major. In order to obtain complete transfer agreement you MUST also print the Area V page for the major from the institution to which he/she plans to transfer. (NOTE: Some institutions

are still in the process of building their Area V pages for each of their majors. If you are unable to locate the additional AREA V information from the receiving institutions Area V page, contact the institution contact person who works with transfer students and request the additional information.)

Shannon,

Attached are the notes from Interim Department Head, Dr. Dana Ingalsbe.

Also, the program chair, Dr. Jess Godbey commented:

Chemistry I is required for AE 388, Industrial Hygiene I, incoming CC students should take Chemistry I and then either Chemistry II or Physics I. We will make a change to reflect this in the next catalog.

Also, one of the program advisors, Jennifer Gault, commented:

shouldn't Area III - Natural & Mathematical Sciences reflect 12 hours instead of 11?

What is shown:

- AREA III - NATURAL AND MATHEMATICAL SCIENCES (11 SH)

Also, Calculus I (4 hours) is the required math and also the prerequisite for Calculus II (4 hours) & Calculus III (4 hours). I am not 100% sure but Linear Algebra and Differential Equations I are 300-level courses at JSU and may not transfer in. This has been the case with Applied Engineering and Business

courses in the past with a 200-level being equivalent to a 300-level course. Should those be removed from the list of courses shown?

I am following up since I have not heard back from Dr. Bavonese. We have an AGSC meeting coming up on April 30th and I was hoping to get this guide approved. Please have your people review this guide and let me know of any corrections that need to be made.

In Area IV, I left in a list of courses that may or may not be needed. They could be used as choices for electives that would count in Area V or we could remove them from Area IV if they aren't needed. Also, in Area V, I have a note about electives or possibly having them take the other science sequence. I just do not know what would work best for you all. Please let me know what would be best to fill out Area V.

Thanks,
Shannon

We need to build a guide. We also need to build/update guides for other AE programs. This was something Lisa Williams wanted to collaborate on while she was here, but time was short.

I have a student that is interested in attending Gadsden State and then transferring to JSU in Occupational Safety and Health Management. We don't have a guide on Alabama Transfers for Occupational Safety and Health Management at this time. Do we need to build one for it, or might it be covered under a different guide that we do have on the system such as Business (All Business Majors)?
