The information on this Articulation/Transfer Guide has been approved by the Alabama Articulation and General Studies Committee (AGSC) for students who intend to pursue a bachelor's degree in the major listed above. Your institution may not offer every course listed on this guide. In addition, not all four-year institutions will offer the major which you are interested in pursuing. For a listing of schools which do offer the major listed above and who will accept the course work listed on this guide, see the section at the end of the guide titled "INSTITUTIONS WITH BACHELOR'S DEGREE PROGRAMS IN THE CHOSEN MAJOR."

INSTRUCTIONS TO TRANSFER STUDENTS:

1. Read the entire Transfer Guide carefully.
2. Print and keep a copy of this Transfer Guide for verification purposes.
3. Meet with your advisor or counseling office to discuss this information.
4. In order to obtain a complete transfer agreement, you MUST also print the Area V page for the major from the receiving institution to which you plan to transfer. The Area V page gives you additional information about institution recommendations in AREAS I-IV and specific requirements not specified in AREA V on the AGSC guide. The total transfer agreement consists of the AGSC transfer agreement and the Area V page from the institution. Donna,

Good morning. I think these are appropriate course transfers (Current Issues and Intro to SM). With this, I think you might find it good to know that effective fall 2024 our Sport Management program does allow for "electives".

Christina,

Please see email below from the Alabama Transfers office (formerly AGSC/STARS).

We had submitted a revised guide template for the stand alone Sport Management major for Alabama Junior college transfers. However, they are now asking if either of these attached courses could also be included. Please review these two courses and let me know if they would be acceptable and if so, for which TROY equivalent course.

If acceptable, we would add them as additional Area V courses options on the transfer guide, which will reduce the risk of students taking courses that they do not need. The maximization of any transfer credit is very important in this program since this degree program does not allow for any free electives.

Thank you,

Donna

At the last AGSC meeting, Sport Management (Troy Only) template was tabled. One of the community college members requested that we have Troy look at the two attached courses to see if they would count for credit on this template/guide. Would review these and let me know. We have another AGSC meeting coming up on April 30, and I would like to try to get this approved so we can get it added to the website.

I have also attached a copy of the template/guide from the last AGSC meeting for reference.

Hi Dr. Crawford and Dr. Calhoun,

We are going over the "TABLED" template for SPORTS MANAGEMENT at TROY from the last meeting. This is what is in the minutes from our last AGSC meeting:

Sport Management (31.0504) – Troy University Only

Dr. Crawford moved to table the ratification of the template until Dr. Session can clarify if the two sport management courses that are offered by ACCS should be evaluated and added to the template specifically in Area V and will the 200 level courses versus the 300 level courses be an issue with Troy. Dr. Tadesse seconded. Template tabled to next meeting.

We were wondering if you could tell us what TWO SPORT MANAGEMENT COURSES you were referencing? Can you point me to those course descriptions in the ACCS COURSE DIRECTORY? We will take those to our TROY contacts and see if they would accept them or not and then bring the guide back up in a few weeks for ratification.

Keith
